

Dear Parents and Junior Golfers,

Over the twenty years we have been here, we have established one of the best junior programs in the state. For 2021 we will once again offer two programs which include instructional and playing opportunities for junior golfers of all age and ability levels.

We look forward to continued success with our junior golf program in 2021. It is our goal to produce golfers who will enjoy the game as well as identify juniors who may want to play on a competitive level. As stated above, we have two options for juniors to consider. Please note that a student can sign up for one or both junior program options.

- **Friday Instruction and League** – Each week has time set aside for lessons as well as playing on the golf course. This program combines skills improvement as well as etiquette, playing strategies and golf course management. This program is run by PGA Professional Bill Stupar and PGA Professional Buck Welsh. We are assisted with this group by several local golf coaches and other knowledgeable players. The program is open to boys and girls age 6 & up.
- **Monday Elite Training** – This program is for the advanced junior looking to improve and play competitive golf. This program is limited to the first 24 juniors to register. Participants will be playing nine or eighteen holes each week as well as receiving extensive instruction on their full swing and short game. Please note this program is only open to boys and girls age 12 and older. This program is taught by PGA Professionals Bill Stupar & Buck Welsh.

The attached fliers detail each program in its entirety. If you have any questions please call us at the pro shop 715-344-9152. To help us in setting up the programs, please return the paid entries by March 19th, 2021. Students that were in the program last year will have priority if their forms are received by this date. After March 19th, 2021 all entries will be accepted on a first come first served basis until full. **PLEASE NOTE: With social distancing still a likely concern throughout the 2021 junior golf season we are limiting the Monday program to 24 participants and the Friday program to 70 participants.**

More Junior Golf Opportunities @ WRGC

- **Sunday Special** – After 3 PM on Sunday, junior golfers play nine holes for \$3 with a paid adult green fee. This is a great deal for parents or grandparents to get the kids out for a round. One paid adult can take up to three juniors at the \$3 rate. This rate is available on all Sundays throughout the season.
- **Adult / Junior Tournament** – The date of the event is Sunday, August 8th this year. We will email details about a month prior to the event.
- **Private Lessons** – One hour lesson \$35 – Half hour lesson \$20. Package price - 5 lessons for price of 4. (These special rates are available to juniors only!)
- **PGA Junior League** – This is a competitive travel scramble league open to junior golfers age 13 & under. Buck Welsh will have more information on this coming out soon. Please contact him directly with any questions.

WISCONSIN RIVER GOLF CLUB
2021 ELITE JUNIOR PROGRAM
MONDAY MORNING PROGRAM

Basics: This program has been designed to help students that already play competitive golf or wish to in the future. Our intention is that students will be taught advanced fundamentals to give them the best chance to compete well and pursue higher aspirations in golf. The program is open to all students age 12 and older. **Our only stipulation is that the junior is serious about learning and improving.** The program will be limited to the first 24 juniors to register.

Format: The program will run 7 weeks starting June 7th and ending July 19th. Class will begin at 7am and finish at 11:15am. Each week during that time there will be a mix of instruction, practice and playing. Juniors will play either nine or eighteen holes each week and must be able to walk the course either carrying their clubs or with a push cart. Instruction will take place on the lesson tee and on the golf course.

There are many junior tournaments in the area and throughout the state. We also have both boys and girl's high school golf teams in the local schools. It is our hope that the seven weeks that comprise this program will help all participants to become better golfers in these competitive settings. There are also many local junior events that your child should consider playing in. The PGA also offers the Wisconsin PGA Junior Tour. Entry forms for the Wisconsin PGA Junior Tour events can be found at the Wisconsin PGA website. www.wisconsin.pga.com

We are also encouraging junior golfers to consider a Season Pass for the year to help them in their practice. The special Season Pass price for program participants is \$310.

WISCONSIN RIVER GOLF CLUB 2021 JUNIOR GOLF PROGRAM

FRIDAY MORNING PROGRAM

Junior Instruction and Play: There will be six weeks of instruction and five weeks of playing available to all junior golfers ages 6-17. Lessons begin Friday, June 11th and will run for six Fridays from June 11th to July 16th. All juniors will arrive at 8:00 A.M. Parents should plan to pick up their child at approximately 11:15 for all weeks except the 1st week. **Please note that the first week (June 11th) is a lesson only week with no on course play. Plan to pick up all students 1 hour after their start time for that week only.**

*The program will include lesson, playing, prizes, and snacks.

* Playing is a big part of the program and is available to all juniors age 6-17. Juniors age 6-8 will play 1 to 3 holes, juniors age 9-11 will play approx. 4 holes and juniors age 12 + will play up to 9 holes. Weeks of play will run from June 18th – July 16th.

* Enrollment is limited to the first 70 juniors to register. 2020 participants will be given priority until **March 19, 2021.**

* Any registrations that come in after the 70 spots are filled will be notified and given the option of being on a waiting list.

*****We are also encouraging junior golfers to consider a Season Pass for the year to help them in their practice. The special Season Pass price for program participants is \$310.**
